1. INFORMATION

We can provide **Policyholders** with protection in a number of ways. It should, however, be noted that all sections of the **Policy** may not necessarily be applicable for every **Property Insured**. The **Development Initial Certificate / Property Insured Initial Certificate** and **Certificate of Insurance** will detail the exact cover provided.

In order to illustrate the service which we provide, the following bullet points provide examples of the kinds of cover which a typical **Policy** might provide.

- Insuring the **Property Insured** for a period of 10 or 12 years against:
 - the risk of **Major Damage** to the **Structure** of the **Property Insured**. See section 3.1 for details.
 - the reasonable costs of repairing, replacing or rectifying any part of the **External Car Parking and Roads** as a result of destruction or physical damage from a cause as specifically detailed in section 3.1 of this policy;

It should be noted that the examples provided above are given for illustrative purposes only. Since each contract of insurance will differ according to individual requirements, the **Policyholder** should refer to the **Property Insured Initial Certificate / Certificate of Insurance** and the **Policy** to ascertain the precise cover in force at any time.

THE QUALITY OF THE PROPERTY INSURED

Any **Properties Insured** under a **Policy** are the subject of a system of checks and inspections:

- **Surveyors** will have completed inspections before the **Certificate of Insurance** was issued. Such inspections are carried out solely for the purpose of satisfying the **Underwriter** that the **Property Insured** represents a normal risk for insurance under **Premier Guarantee for Commercial Buildings in the Channel Islands**. It should not be inferred that the inspections are for any other purpose.
- It is the first **Policyholder's** responsibility to ensure that a thorough inspection of the **Property Insured** is carried out prior to hand-over. If the inspection identifies any defects, they should be reported to the **Builder** and remedied prior to completing the purchase of the **Property Insured**.
- A **Certificate of Insurance** will be issued to the **Policyholder** provided that a **Certificate of Approval** has been issued by the **Surveyor** and subject to satisfaction of all **Policy** conditions. The **Certificate of Insurance** should be filed with the **Policy**.
- Any extensions in cover at the time of issue of the **Policy** and subsequent alterations will be confirmed by separate endorsements, which should also be filed with the **Policy**. The **Policyholder** should refer to these endorsements and the **Policy** to ascertain the precise cover in force at any time.
- This **Policy** is transferrable to future owners of the **Property Insured**.

YOUR PRIVACY

We will normally keep personal information about you confidential. We may need to pass on personal information such as your name and address to the **Builder** to assist in the resolution of a claim. If required by a court or government body, we may be required to pass on personal information. We may need to tell a subsequent owner(s) about claims an earlier owner has made, if it affects what a subsequent owner of the **Property Insured** can claim under the **Policy**.

You have the right to cancel cover under the **Policy**. If you wish to cancel the cover, you must do so within 14 days starting on the day after you receive the **Premier Guarantee for Commercial Buildings in the Channel Islands Policy** documents.
